

SUITABLE FOR AGES 2-8

DELIGHTFULLY different

Sometimes we all just want to fit in and be like our friends, but it's really cool to be different! Wouldn't it be boring if we all looked the same?

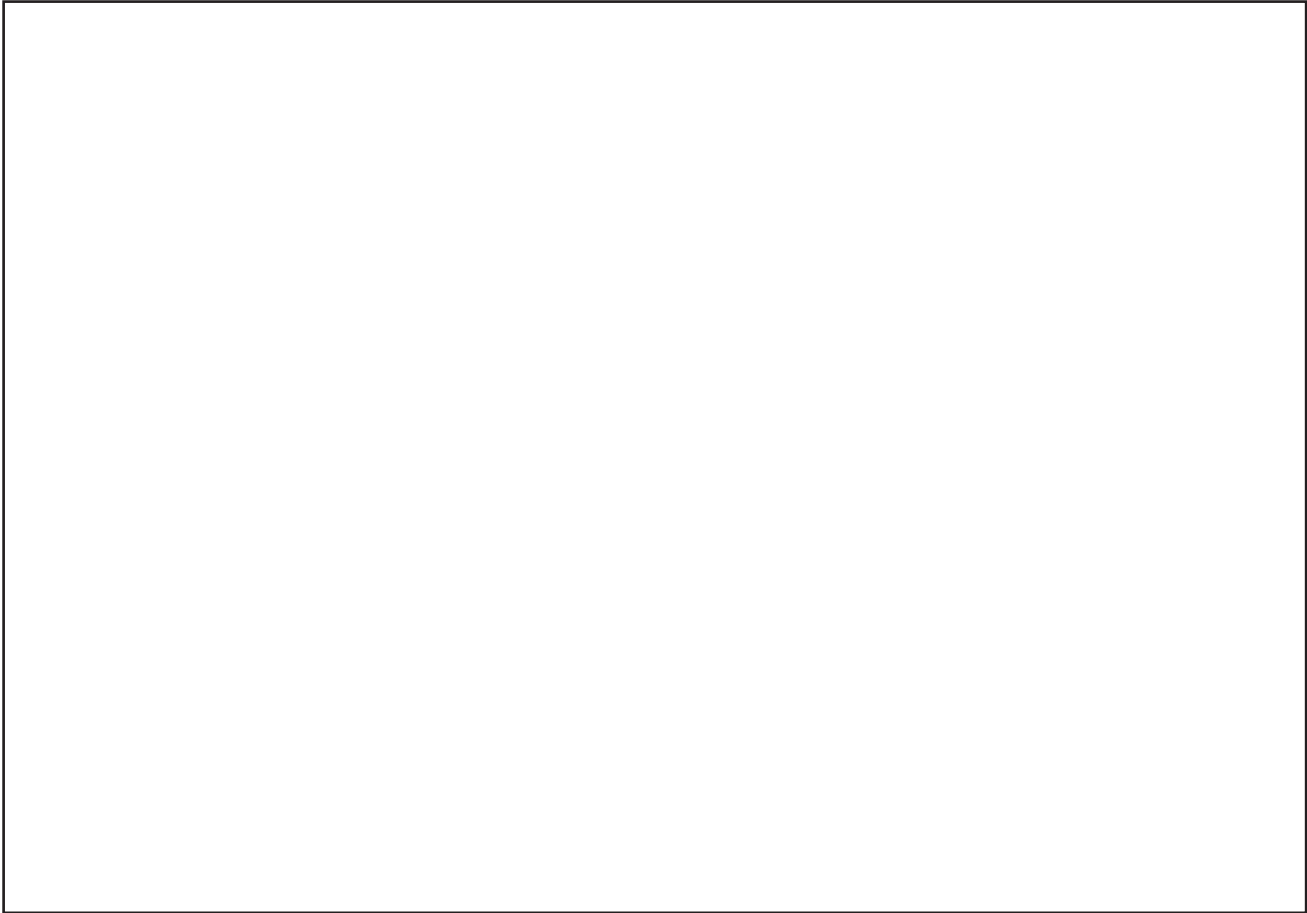

INSTRUCTIONS

Using the template below, ask the students to draw each of the animals and then ask them the following questions:

- Are they the same colour?
- Do they have the same number of legs?
- Are they the same size?
- Do they eat the same things?
- Are they both cool?

my dinosaur friend is COOL!

Draw a dinosaur

Draw a penguin
