

my differences YOUR differences

This activity can be done in pair or individually.
It's all about learning more about their classmates.

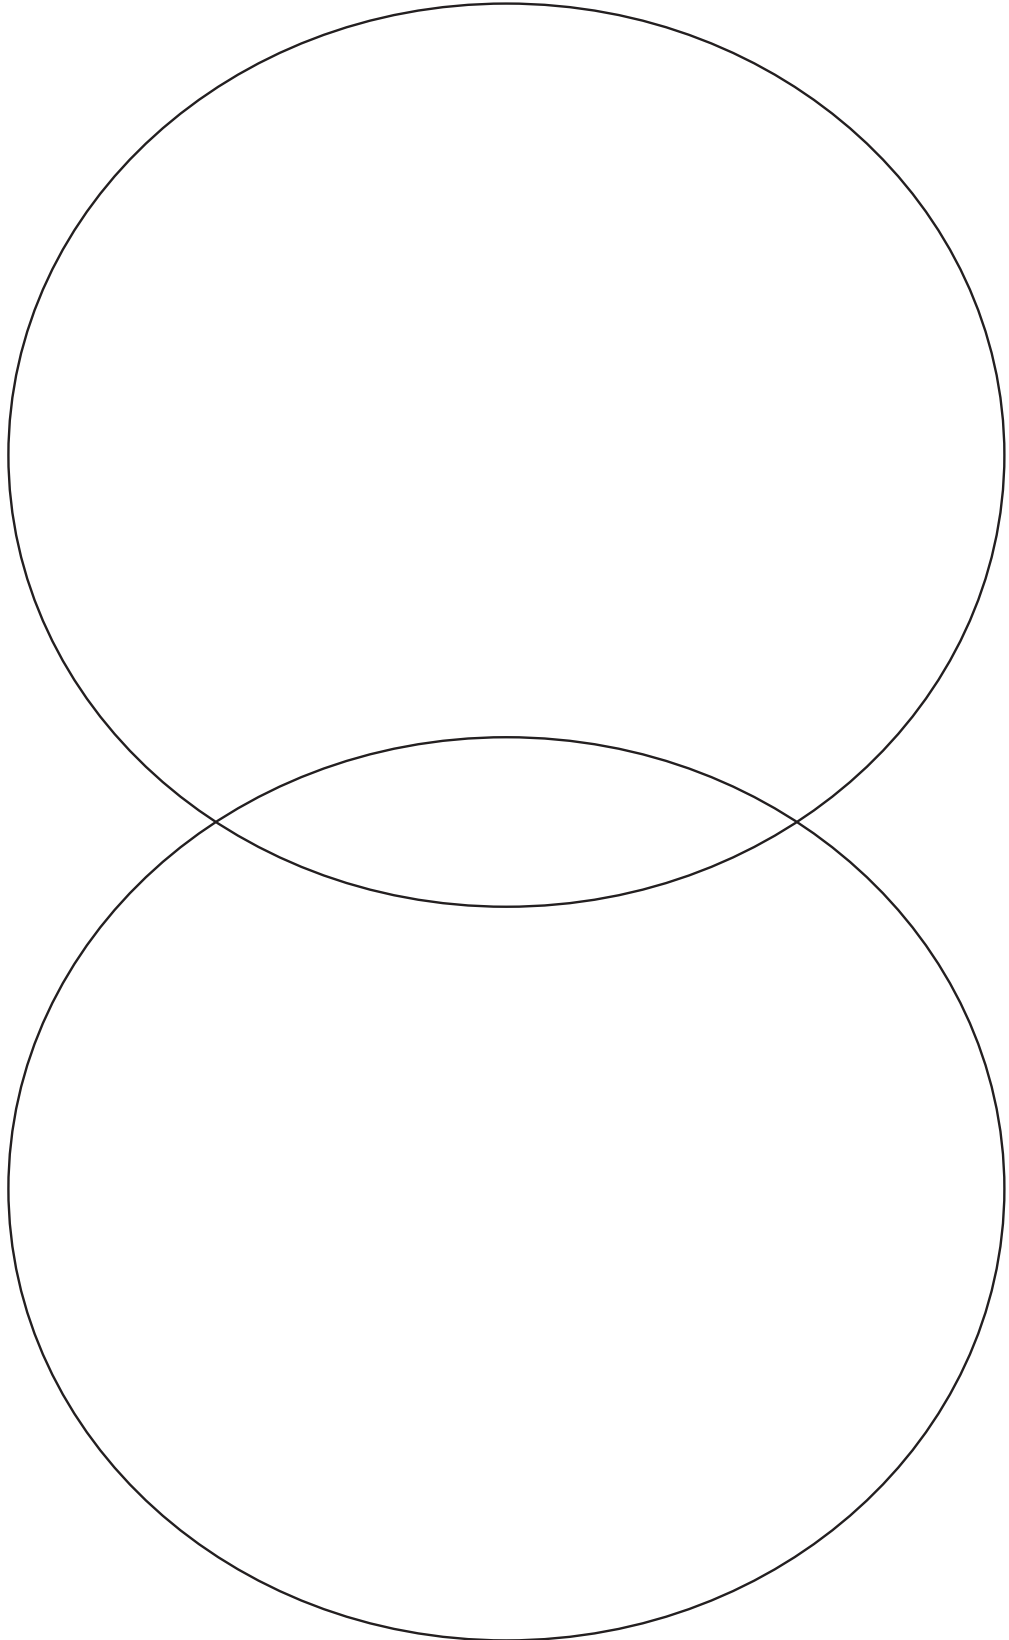

INSTRUCTIONS

Copy the Venn diagram below and ask the children to make one of the circles into their face and the other circle into the face of a friend. Then ask the students to complete the questions on the other side of the paper.

MY DIFFERENCES / YOUR DIFFERENCES

MY FRIEND

ME

How are we the same?

How are we different?

And that's OK because...
