

Monsters Inc.

INSIDE MARY ELIZABETH'S HOUSE

Mary Elizabeth had a monster living at her house. What kind of funny, cute monster could live at your students' house?

Let your students describe their funny monster using adjectives to help them describe their monster.

Bank Your Words

INSIDE MARY ELIZABETH'S HOUSE

Your students may know we save our money in the bank, similarly good writers save words in a Word Bank. They do this so they can use them later to make their stories even better.

Create a class work bank by depositing words in these safes.
