That's Tree-mendous!

MR MCGEE

Design a tree house with your class for Mr McGee. Mr McGee lives under a tree.

Ask your students
"Would you like to live under a tree?"
What type of tree would it be? Why?

Help them to think about:

- daily needs e.g. food, water, cleaning, toileting, sleeping
 - decoration
 - furniture
 - views
- access (how to get in and out)

Can the students create their own tree house?
