

# Tsunami Evacuation Zones

**If it's long and strong, get gone!** If you feel an earthquake that is either longer than a minute OR strong enough that it's hard to stand up THEN get to high ground, out of all zones, as soon as shaking stops!

## Key

- Red Zone**
- Orange Zone**
- Yellow Zone**

If you feel either a long OR strong earthquake get out of all zones. Otherwise, evacuate only to the zones as advised by Civil Defence.

**Recommended evacuation routes** If a recommended route is affected by earthquake damage then consider taking another of the three routes noted. Please aim to clear the red, orange and yellow flood zones as soon as possible to meet at the Civil Defence post at Mount Cook School. **If you cannot get to Mount Cook School**, alternative community emergency hubs are at Clyde Quay School in Mount Victoria and Te Aro School in Te Aro.
