

SEASONS

ANIMALS AND THEIR HOMES

Resource for Preschool Educators

Linking animals from *Seasons*
to their homes/habitats

Activity Outline

Pre-writing activity for fine motor skills.

- 1 Hand out the attached activity sheet. Show the children how to trace the lines with a pencil or felt pen to see where the insect lives.
- 2 Children can then colour in the insects and their homes.

Outcome

Making connections between the animals/insects and their habitats

You will need:

- Printed copies of the attached page: *Activity for Learners: Animals and their Homes*
- Pencils or felt pens
- Colouring pens

1 Follow the lines with your pencil to see where the animal lives.

2 Colour in the animals and their homes
